**Re: Democratic Senatorial Campaign Committee
FEC Identification #C00042366**

Dear Ms. Vuong:

This is in response to your letter dated March 24, 2011 concerning the 30 Day Post-General Report (10/14/10-11/22/10) of the Democratic Senatorial Campaign Committee (the "Committee").

You have asked about a credit for a debt reported on Schedule D. The original debt listed was an estimate of media production costs for an independent expenditure that had been publicly disseminated but not paid in a previous reporting period. The estimated amount was greater than the actual cost by \$10,580.40. The negative entry that appears in the "Amount Incurred this Period" box is the adjustment of the over-estimated amount to bring the outstanding balance to zero.

You also ask about 24 hour notices for "last minute" independent expenditures. It appears that you are missing the 24 Hour report filed by the Committee on 10/15/10, which discloses the first four items on your "Missing 24 Hour Notices" schedule. Attached is a copy of the 10/15/10 24 Hour report plus the Transmission Verification Report. For the last item on your schedule, we did not receive the invoice until 10/19/10. Every effort is made by this Committee to ensure that independent expenditures are reported timely on the 48 Hour and 24 Hour Notices of Independent
